

Pay easily with Apple Pay

No wallet? No problem

Go ahead, leave your wallet at home. With Apple Pay, you can pay with your MariBank card right from your iPhone or Apple Watch.

An easy way to pay online and in-app

With Apple Pay, information like your name and address automatically populate at checkout. Now paying is faster than ever.

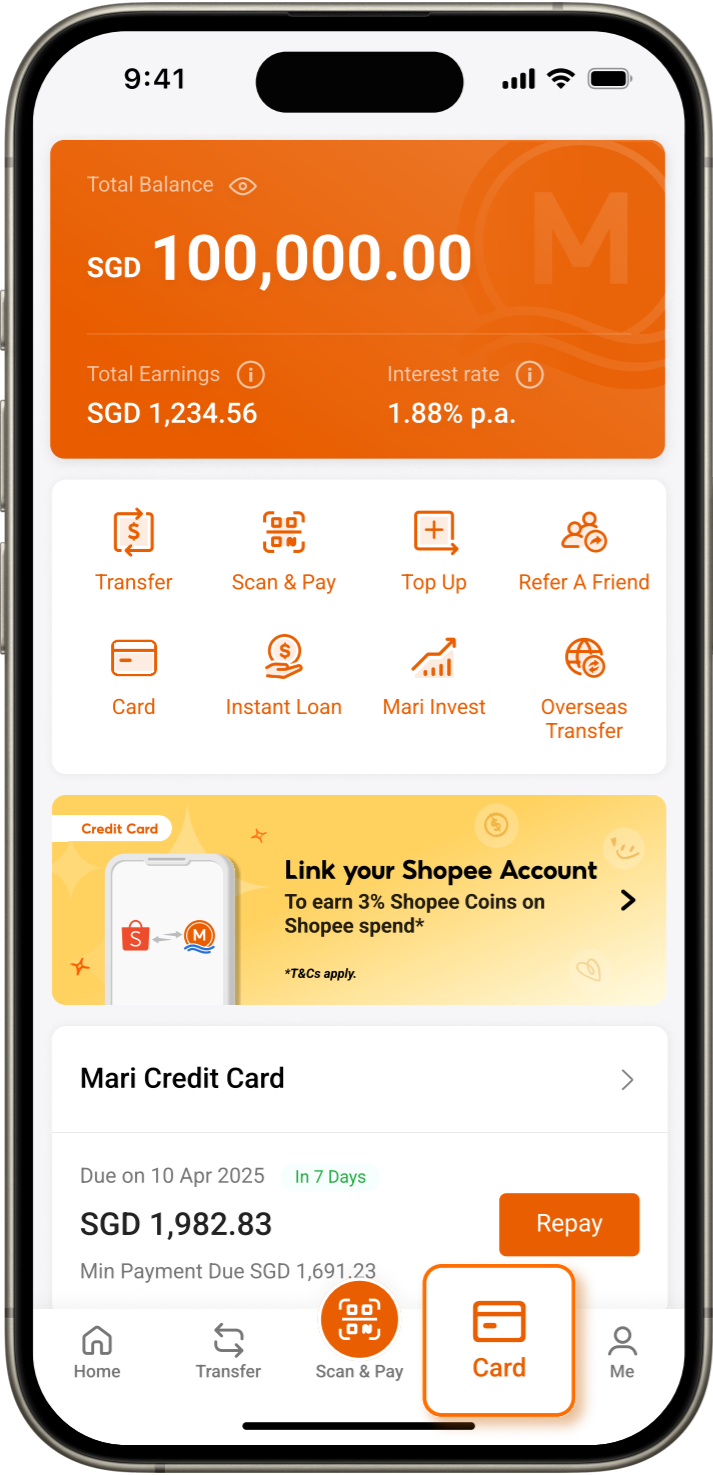

Pay securely. With Face ID

Apple Pay uses the security features built into your Apple device, including Face ID and Touch ID – which are designed so only you can authorize payments.

How to add your Mari Credit Card to Apple Pay

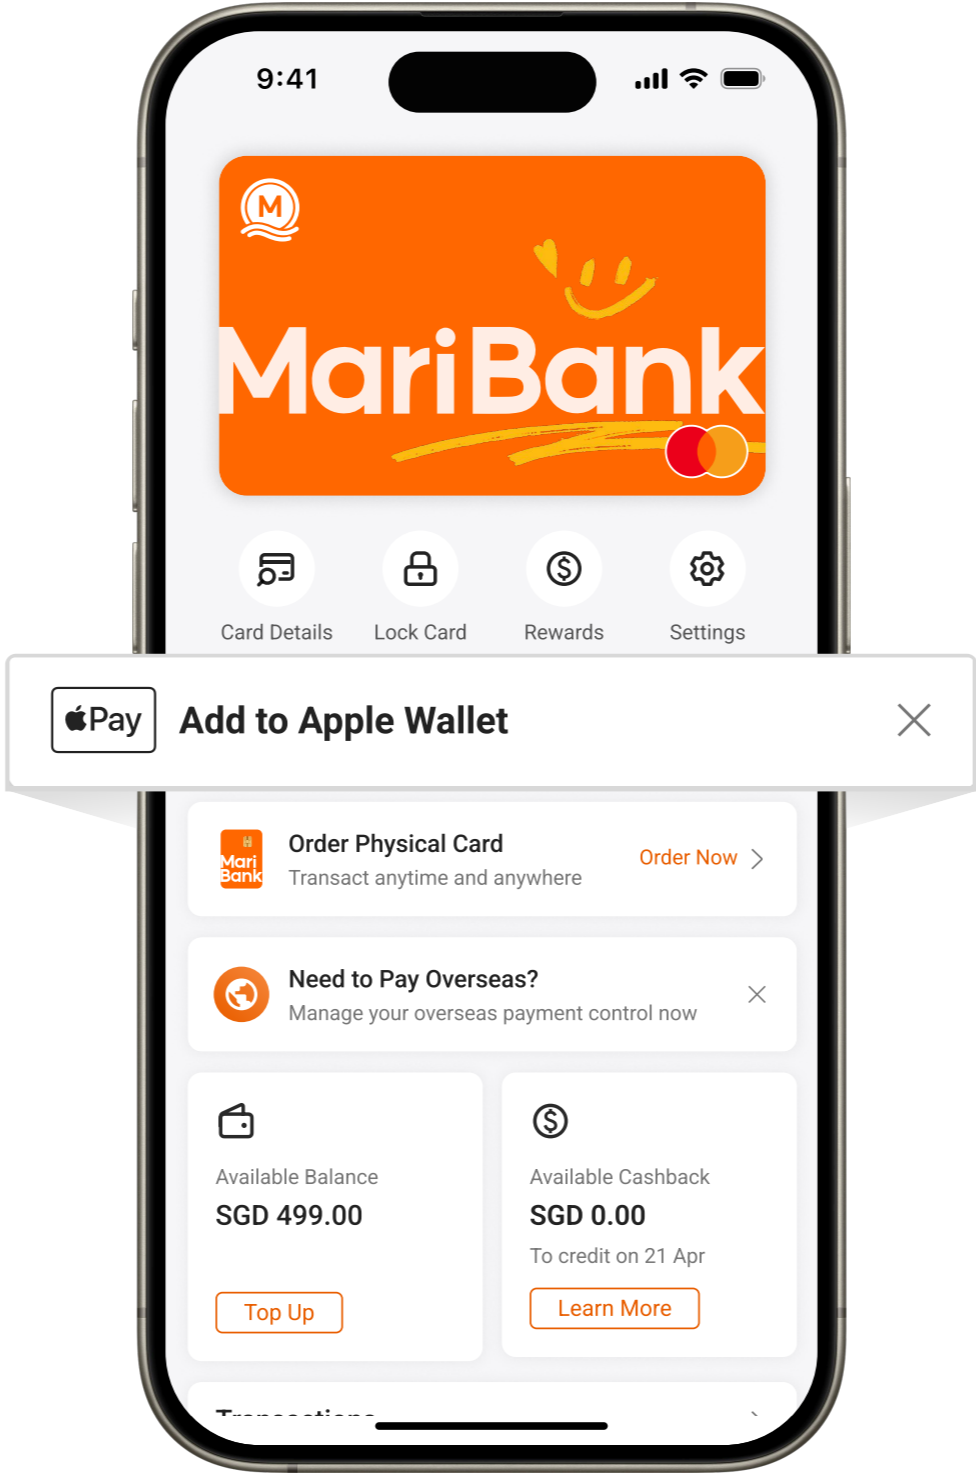

Step 1:

Tap on Card Via the MariBank app.

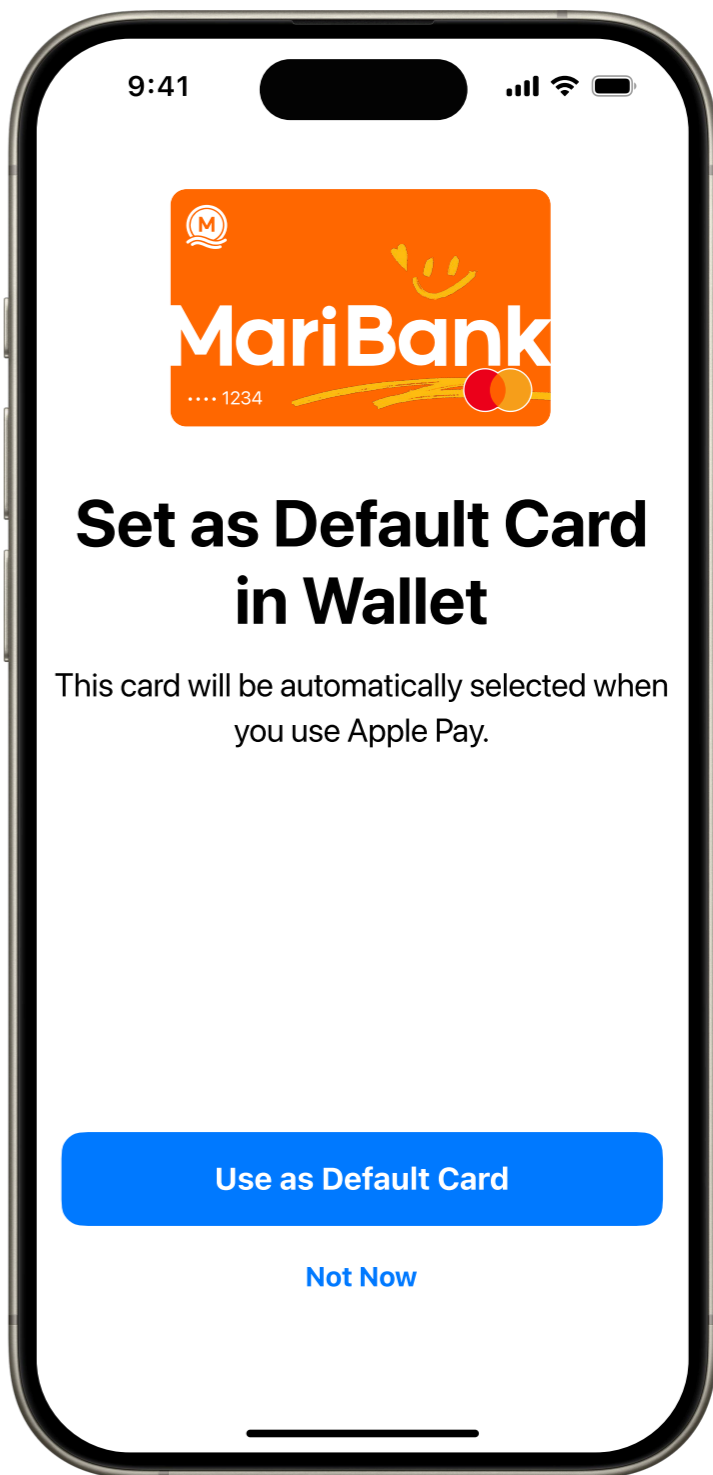

Step 2:

Tap on 'Add to Apple Wallet'.

Step 3:

Follow the on-screen steps and make MariBank card your default card.

How to pay

Simply double-click the side button on your iPhone or Apple Watch, then hold your device near the reader to pay.

Where to use

To pay with Apple Pay online, in-app, or in-store, just look for **Apple Pay** or the  symbol.
